I am not sure about the definition Ray found specifically, but I did find the following notes...not sure if it was one of these?

Hi Alex, do you know where that the definition of caste is that we were discussing in the Work Group back in December? I think we liked the definition that Ray found, although we ultimately decided not to include a definition in the policy. Can't remember which folder this is in. Do you happen to recall? Thanks in advance. Laura
